Dear Governor Cooper,

I'm writing to thank you for your effort in blocking Duke's proposed Atlantic Coast Pipeline. This project was too much of a risk to our state and jeopardized already vulnerable communities.

We need leaders like you to continue to protect our waterways, and ensure projects like this don't put extra burden on the Native Americans, low-income residents, and communities of color that would have had the pipeline forced onto their homes and neighborhoods. Thank you!

I am very appreciative of all your effort and commitment for the people of North Carolina and beyond.

Sincerely,
Deborah
